ABOUT

UI/UX Designer with 7+ years of experience designing user-centric web and mobile applications across healthcare, analytics, cybersecurity, and enterprise products. Skilled in user research, wireframing, prototyping, usability testing, and design systems, with strong collaboration in Agile teams using Figma, Adobe XD, and AI-assisted design tools.

EXPERIENCE

BLUE CLOUD SOFTECH SOLUTIONS LIMITED

UI/UX Designer | Feb 2025 - Current

Designed intuitive health analytics, cybersecurity, and intelligence dashboards, translating complex data into clear user experiences.
Collaborated with cross-functional teams to improve usability, workflows, and responsive design delivery.

What The F Studios Private Limited

UI/UX Designer | Jan 2020 - Feb 2024

Led end-to-end UX for multiple client projects, from requirements gathering and wire-framing to prototyping and usability testing.
Delivered consistent, user-focused designs for web and mobile applications.

Engineering Innovations Research Lab

UI/UX Designer | Nov 2017 - Dec 2019

Designed websites and mobile interfaces while creating brand-aligned social media creatives to improve user engagement.
Supported product and marketing teams with visual and interaction design solutions.
